MANAGEMENT

The Foundation is managed by a Board of Directors consisting of volunteer members who bring to the Board a wide range of backgrounds and experience and expertise. The Board is responsible for administering the affairs of the Foundation and decides on financial and general policy. They meet monthly. Head Office and departmental management staff are responsible for the day-to-day management and effective implementation of the approved policy. Although the Foundation is a non profit organization it's policy is not to be loss generating but to remain viable and able to meet it's commitments. The Foundation is a multi-disciplinary specialist organization and employs some 169 full time staff.
